

SpiffX strike strategic UK distribution deal with Eclectic Media Network

SpiffX announces a strategic deal with Eclectic Media Network to gain distribution of its Sport Random Games in the UK market. The deal means that SpiffX will integrate its consumer products, Take5Live and other Sport Random Games, on Eclectic Media Networks technical platform.

-The deal with Eclectic does not only open up distribution in and access to the big and important UK market, it also gives us an collaboration with a very professional partner that has identified the enormous potential of casino-sport betting hybrid games, a segment we at SpiffX calls "Sport Random Games". We believe that this is the start of a long and lucrative cooperation with Eclectic, says Lennart Gillberg, co-founder and Director at SpiffX.

Commenting on the deal, David da Silva, CMO at Eclectic said;

-Our Fan Engagement Platform adds compelling interactive second screen experiences to live sports broadcasts so we are excited to add SpiffX's Take 5 betting app to our portfolio. The quality of SpiffX's games are superb and we look forward to this developing into a long-term strategic collaboration.

The technical integration work starts immediately and the mutual target is to have a number of Operators launched and live already during the third quarter this year.
